1) This is a drill. A drill creates holes by spinning a drill bit. How would you create a bigger hole with a drill bit? Be creative.

2) This is a golfer. A golfer hits a golf ball with a golf club. How would the golfer hit the ball further? Be creative.

# Lesson 10| Worksheet 1 (cont'd)

Now try programming the drill to create 3 different size holes using one coding element.

## Code Elements
