

Lesson 1 | Worksheet 1

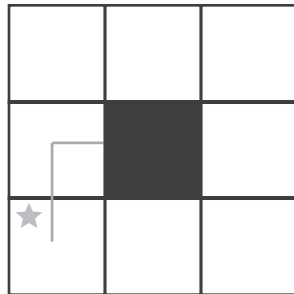

This is a Pixel Bots Javascript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

Code Elements

up()
left()
paint()

down()
right()

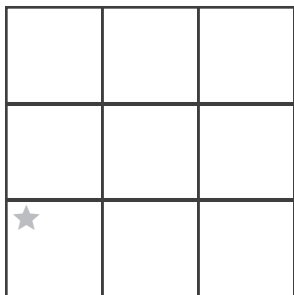

Example

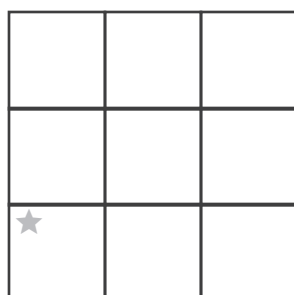

```
1 up()  
2 right()  
3 paint()
```

Problems

You are a pixel bot. Read the code and paint the picture.

```
1 right()  
2 right()  
3 paint()  
4 up()
```

```
1 right()  
2 paint()  
3 up()  
4 paint()
```
