

# Lesson 1 | Warmup

---

This is a Pixel Bots JavaScript exercise. In Pixel Bots we will program bots to paint pictures using Code Elements.

## Code Elements

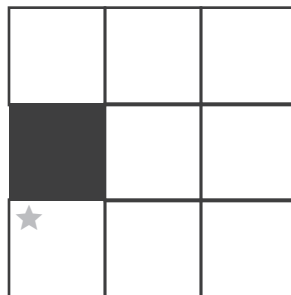

---

up()	down()
left()	right()
paint()	

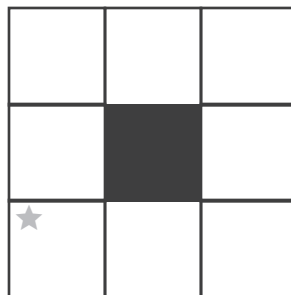

## Problem 1

---

Pixel Bot Read Code: You are a pixel bot. Read the code and paint the picture.

```
up()  
paint()  
right()
```

```
up()  
right()  
paint()
```
