

# Lesson 1 | Warmup

---

This is a Pixel Bots JavaScript exercise. In Pixel Bots we will program bots to paint pictures using Code Elements.

## Code Elements

|                      |                      |
|----------------------|----------------------|
| <code>up()</code>    | <code>down()</code>  |
| <code>left()</code>  | <code>right()</code> |
| <code>paint()</code> |                      |

## Problem 1

---

Pixel Bot Read Code: You are a pixel bot. Read the code and paint the picture.

```
up()  
paint()  
right()
```

```
up()  
right()  
paint()
```

# Lesson 1 | Worksheet 1

---

This is a Pixel Bots Javascript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

## Code Elements

---

up()                      down()  
left()                    right()  
paint()

## Example

---

```
1 up()  
2 right()  
3 paint()
```

## Problems

---

You are a pixel bot. Read the code and paint the picture.

```
1 right()  
2 right()  
3 paint()  
4 up()
```

```
1 right()  
2 paint()  
3 up()  
4 paint()
```

# Lesson 1 | Worksheet 1 (cont'd)

```
1 down()  
2 paint()  
3 left()  
4 paint()
```

```
1 paint()  
2 left()  
3 paint()  
4 down()  
5 paint()
```

```
1 paint()  
2 up()  
3 paint()  
4 up()  
5 paint()
```

# Lesson 10 | Wrap up

This is a Pixel Bots JavaScript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

## Code Elements

---

`up(steps)`

`left(steps)`

`paint(color)`

`down(steps)`

`right(steps)`

## Problems

---

You are a coder. On the code line paper, write code to command the pixel bot to paint the picture.

lines of code: 16

# Lesson 11 | Worksheet

## Emoji Design Thinking Handout

### Empathize

I am creating an emoji for \_\_\_\_\_

List interests and likes of this person.

---

---

---

---

---

---

Emotions and feelings to convey in emoji.

---

---

---

---

---

---

### Ideate

List your pixel emoji ideas.

---

---

---

---

---

---

---

---

Sketch your ideas.

# Lesson 11 | Worksheet

---

## Prototype #1

## Decompose your emoji

What are the key features of your pixel emoji? (Example: face, face outline, mouth, eyes)  
Circle features and write what the feature is and the color.

# Lesson 11 | Worksheet

---

## Prototype #2

## Decompose your emoji

What are the key features of your pixel emoji? (Example: face, face outline, mouth, eyes)  
Circle features and write what the feature is and the color.

# Lesson 12 | Worksheet 1

---

## Feature List

---

---

---

---

---

---

---

---

---

## To Do List

Today's date \_\_\_\_\_

- ☐ \_\_\_\_\_
- ☐ \_\_\_\_\_
- ☐ \_\_\_\_\_
- ☐ \_\_\_\_\_
- ☐ \_\_\_\_\_
- ☐ \_\_\_\_\_
- ☐ \_\_\_\_\_
- ☐ \_\_\_\_\_

# Lesson 12 | Worksheet 1

---

- ☐ \_\_\_\_\_
- ☐ \_\_\_\_\_
- ☐ \_\_\_\_\_
- ☐ \_\_\_\_\_

# { } Lesson 2 | Warmup

This is a Pixel Bots JavaScript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

## Code Elements

up()                      down()  
left()                    right()  
paint()

## Example

```
1 right()  
2 paint()  
3 up()  
4 up()  
5 paint()
```

## Problems

You are a pixel bot. Read the code and paint the picture.

```
1 up()  
2 right()  
3 paint()  
4 up()  
5 right()  
6 paint()  
7 down()  
8 down()  
9 paint()
```

# Lesson 2 | Worksheet 1

---

This is a Pixel Bots JavaScript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

## Code Elements

---

up()                      down()  
left()                    right()  
paint()

## Problem

---

You are a coder. Write code to command the pixel bot to paint the picture.

|   |  |
|---|--|
| 1 |  |
| 2 |  |
| 3 |  |
| 4 |  |
| 5 |  |
| 6 |  |

# Lesson 2 | Worksheet 2-1

---

This is a Pixel Bots JavaScript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

## Code Elements

---

|         |         |
|---------|---------|
| up()    | down()  |
| left()  | right() |
| paint() |         |

## Problem

---

You are a coder. Write code to command the pixel bot to paint the picture.

## Lesson 2 | Worksheet 2-2

---

This is a Pixel Bots JavaScript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

### Code Elements

---

|         |         |
|---------|---------|
| up()    | down()  |
| left()  | right() |
| paint() |         |

### Problem

---

You are a coder. Write code to command the pixel bot to paint the picture.

## Lesson 2 | Worksheet 2-3

---

This is a Pixel Bots JavaScript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

### Code Elements

|         |         |
|---------|---------|
| up()    | down()  |
| left()  | right() |
| paint() |         |

### Problem

You are a coder. Write code to command the pixel bot to paint the picture.

## Lesson 3 | Warmup

---

This is a Pixel Bots JavaScript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

### Code Elements

---

up()                      down()  
left()                    right()  
paint()

### Problem

---

You are a coder. Write code to command the pixel bot to paint the picture.

|    |  |
|----|--|
| 1  |  |
| 2  |  |
| 3  |  |
| 4  |  |
| 5  |  |
| 6  |  |
| 7  |  |
| 8  |  |
| 9  |  |
| 10 |  |

# Lesson 3 | Worksheet 1

---

This is a Pixel Bots exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

## Code Elements

---

up()  
left()  
paint()  
down()  
right()

## Problem

---

You are a coder. Write code to command the pixel bot to paint the picture.

## Lesson 3 | Worksheet 2

---

This is a Pixel Bots JavaScript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

### Code Elements

---

|                      |                      |
|----------------------|----------------------|
| <code>up()</code>    | <code>down()</code>  |
| <code>left()</code>  | <code>right()</code> |
| <code>paint()</code> |                      |

### Problem

---

You are a coder. Write code to command the pixel bot to paint the picture.

# Lesson 3 | Worksheet 3

---

This is a Pixel Bots JavaScript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

## Code Elements

---

up()                      down()  
left()                    right()  
paint()

## Problem

---

You are a coder. Write code to command the pixel bot to paint the picture.

# Lesson 3 | Worksheet 4

---

This is a Pixel Bots JavaScript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

## Code Elements

---

|                      |                      |
|----------------------|----------------------|
| <code>up()</code>    | <code>down()</code>  |
| <code>left()</code>  | <code>right()</code> |
| <code>paint()</code> |                      |

## Problem

---

You are a coder. Write code to command the pixel bot to paint the picture.

# Lesson 3 | Worksheet 5

---

This is a Pixel Bots JavaScript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

## Code Elements

---

|                      |                      |
|----------------------|----------------------|
| <code>up()</code>    | <code>down()</code>  |
| <code>left()</code>  | <code>right()</code> |
| <code>paint()</code> |                      |

## Problem

---

You are a coder. Write code to command the pixel bot to paint the picture.

# Lesson 3 | Worksheet 6

---

This is a Pixel Bots JavaScript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

## Code Elements

---

|         |         |
|---------|---------|
| up()    | down()  |
| left()  | right() |
| paint() |         |

## Problem

---

You are a coder. Write code to command the pixel bot to paint the picture.

# Lesson 3 | Exit Ticket

This is a Pixel Bots JavaScript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

## Code Elements

up()                      down()  
left()                    right()  
paint()

## Problem

You are a coder. Write code to command the pixel bot to paint the picture.

| 7  |  |
| 8  |  |
| 9  |  |
| 10 |  |

# Lesson 7 | Warm-up

This is a Pixel Bots JavaScript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

## Code Elements

---

|                      |                      |
|----------------------|----------------------|
| <code>up()</code>    | <code>down()</code>  |
| <code>left()</code>  | <code>right()</code> |
| <code>paint()</code> |                      |

## Problems

---

You are a coder. On the code line paper, write code to command the pixel bot to paint the picture.

# { } Lesson 7 | Worksheet 1

1) This is a drill. A drill creates holes by spinning a drill bit. How would you create a bigger hole with a drill bit? Bit creative.

2) This is a golfer. A golfer hits a golf ball with a golf club. How would the golfer hit the ball further? Be creative.

# Lesson 7 | Worksheet 1 (cont'd)

Now try programming the drill to create 3 different size holes using one coding element.

## Code Elements

`drill(size)`

|   |  |
|---|--|
| 1 |  |
| 2 |  |
| 3 |  |
| 4 |  |
| 5 |  |
| 6 |  |

Program the golfer to hit the ball 3 different distances.

## Code Elements

`swing(club)`

|   |  |
|---|--|
| 1 |  |
| 2 |  |
| 3 |  |
| 4 |  |
| 5 |  |
| 6 |  |

# Lesson 7 | Worksheet 1 (cont'd)

5) Now it's time to return to Pixel Bot. Can you come up with a way to paint the picture in 6 lines? Think about problems 3 and 4.

|   |  |
|---|--|
| 1 |  |
| 2 |  |
| 3 |  |
| 4 |  |
| 5 |  |
| 6 |  |

6) What are the similarities between drilling, golf, and moving the pixel bot multiple steps?

# Lesson 7 | Worksheet 2

This is an online Pixel Bots exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

## Problems

You are a coder. Write code to command the pixel bot to paint the pictures.

# Lesson 8 | Warm-up

This is a Pixel Bots JavaScript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

## Code Elements

---

`up(steps)`

`left(steps)`

`paint()`

`down(steps)`

`right(steps)`

## Problems

---

You are a coder. On the code line paper, write code to command the pixel bot to paint the picture.

# Lesson 8 | Worksheet 1

This is a Pixel Bots JavaScript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

## Code Elements

---

`up(steps)`

`down(steps)`

`left(steps)`

`right(steps)`

`paint()`

## Problems

---

You are a coder. On the code line paper, write code to command the pixel bot to paint the picture.

lines of code: 27

# Lesson 8 | Worksheet 2

This is a Pixel Bots JavaScript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

## Code Elements

---

|                          |                           |
|--------------------------|---------------------------|
| <code>up(steps)</code>   | <code>down(steps)</code>  |
| <code>left(steps)</code> | <code>right(steps)</code> |
| <code>paint()</code>     |                           |

## Problems

---

You are a coder. On the code line paper, write code to command the pixel bot to paint the picture.

lines of code: 31

# Lesson 8 | Worksheet 3

This is an online Pixel Bots exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

## Problems

You are a coder. Write code to command the pixel bot to paint the pictures.

lines of code: 18

- ☐ done

# Lesson 9 | Warm-up

This is a Pixel Bots JavaScript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

## Code Elements

---

`up(steps)`

`down(steps)`

`left(steps)`

`right(steps)`

`paint()`

## Problems

---

You are a coder. On the code line paper, write code to command the pixel bot to paint the picture.

lines of code: 24

# Coders & Bots

---

## Coders

---

**Navigator.** You are responsible for the overall plan for the program. Guide the Writer and keep track of what your program is doing.

**Writer.** Add code to your program. Pay attention to syntax.

## Bots

---

**Stepper.** Step through the program and read each step aloud. Keep your finger on the step you are reading.

**Actor.** Listen carefully to each line of code the Stepper says aloud. Using the materials available, show what each line of code does.
