Lesson 1 | Worksheet 1

This is a Pixel Bots Javascript exercise. In Pixel Bots we program bots to paint pictures using Code Elements.

## Code Elements

```
up()        down()
left()      right()
paint()
```
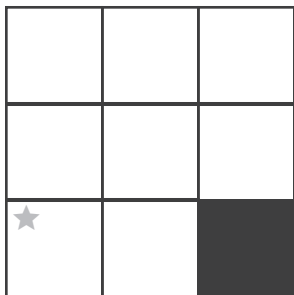

## Example

```
1  up()
2  right()
3  paint()
```

Problems

You are a pixel bot. Read the code and paint the picture.

```
1  right()
2  right()
3  paint()
4  up()
```

```
1  right()
2  paint()
3  up()
4  paint()
```
